

For Guys

DeMolay is the world's premier youth organisation for young men between the ages of 12 and 21.

DeMolay will prepare you to lead a happy and productive life.

We use a program of exciting and diverse fun and educational activities which you will enjoy no matter what your background or interests.

You like video games or sport? We do that.

You like movies, camping or just hanging out? We do that.

Since DeMolays take an active role in what they choose to do, all activities are 100% adaptable to your interests.

DeMolay is also a hands-on learning experience, which builds leadership skills and grants you the freedom to do what's right for you.

Simply, you get out of it what you put into it. There's not much more to it.

So, let's get started today!

For Parents / Guardians

No DeMolay shall fail as a citizen as a leader or as a man.

DeMolay extends our member's education beyond the classroom.

We focus on our core values of respect, reverence, courtesy, comradeship, fidelity, cleanness and patriotism coupled with discipline, education, planning and participating in fun activities.

Activities are led by the members, and provide the opportunity to learn meeting procedure, organise activities, develop public speaking and more.

We are a family-based, social organisation.

We encourage parents to be fully involved in their son's development with a range of different activities suitable for their age and level of commitment.

DeMolay provides interested parents / guardians a full education and training program to enable you to volunteer as one of our adult leaders (we call them Trained Advisors). You will then be involved in guiding and

assisting our members (including your son) to be the best they can be.

DeMolay builds tomorrow's leaders today and develops responsible adult citizens for the world of tomorrow.

Our Seven Precepts

- Respect
- Reverence
- Courtesy
- Comradeship
- Fidelity
- Cleanness
- Citizenship

Discipline

In our world discipline can be summed up as “Just because you can doesn’t mean you should”.

The combination of this and our seven precepts, education, fun and formal activities helps prepare you to lead happy and productive lives.

You will establish high moral and ethical standards.

You will find that friends made through DeMolay tend to be friends for life.

Education

You can do as much or as little as you want. After all, it’s your organisation.

Naturally we encourage you to do as much as you can. Again, you only get out of it what you put into it.

Our education program is designed to give you skills useful to you both now and into adulthood.

Fun Activities

It is important that the members choose what they want to do.

The list is only limited by your imagination but can include bowling, movies, indoor rock climbing, museum visits, family BBQ and so on.

Formal Activities

DeMolay Chapters meet twice a month and teach normal meeting procedures and public speaking.

As part of the education process you may also research DeMolay and related topics.

Other formal activities include observing Australia Day, ANZAC Day, Mother’s and Father’s Day and community activities.
